Alzheimer Society of Toronto

The Alzheimer Society's vision is a world without Alzheimer's disease and other dementias. Our mission is to alleviate the personal and social consequences of Alzheimer's disease and related dementias and to promote research.

OUR VALUES

Collaboration Accountability Respect Excellence

Social Worker (3)

Reports to: Team Lead

Supervises: N/A

Job Summary

The role of the Alzheimer Society of Toronto is to offer support, information and education to people with dementia, their families and their caregivers, to increase public awareness of dementia, to promote research, and to advocate for services that respect the dignity of the individual.

We currently have an exciting opportunity for two social workers to join our counseling team! This position is responsible for offering therapeutic support, information, education and referral sources to persons with dementia and their family caregivers. Social Workers also offer case consultation to professionals in the community. Regular working hours for this role is 35 hours per week.

Essential Duties and Responsibilities

- Utilizing social work processes to assist individuals-persons with dementia, caregivers, professionals, - in considering issues relevant to their situation and developing problem-solving plans
- Working within a team to develop, implement, evaluate and improve training sessions, support groups, speaking engagements and the counseling process
- Keeping up to date with new developments in dementia research and care, as well as relevant services in the community
- Actively participating in the fulfillment of the Society's mandate, including maintaining records, statistics and assisting with program development
- Acting as a staff liaison to volunteer committees, as assigned
- Liaising with the community to increase awareness of the Society's mandate and services

Job Qualifications

Education:

- University degree in Social Work

Job Posting
