The IG Private Wealth Management Unforgettable Gala brings together business leaders, industry professionals, and community members to raise funds in support of the Alzheimer Society of Toronto and the more than 51,000 people in the city living with Alzheimer's and other dementias, and their care partners.

Please join us for a wonderful evening and help make a meaningful difference in the lives of individuals and families grappling with the challenges of dementia. Your support will provide essential resources, guidance, and programs for those affected by dementia.

We are thrilled to have the dynamic duo of comedy, Colin Mochrie and Deb McGrath, as hosts and entertainment for the evening!

WHO WE ARE

The Alzheimer Society of Toronto (AST) is dedicated to supporting individuals living with dementia, along with their families, their care partners and local health providers. We strive to make sure no one feels alone on their dementia journey and that they receive the guidance and support they deserve along with compassionate care, comprehensive resources, and community.

In Ontario, one in three adults has a close family member living with dementia.

“The Alzheimer Society of Toronto is a place for community engagement – they have created a place of safety and comfort that embraces impacted people and their partners on this journey.

– Care Partner

Your support is essential to improving the lives of those we serve. Together, we will make a difference and meet the needs of everyone who requests help. The stronger the support network, the stronger people and families become.

Proceeds from the Unforgettable Gala directly benefit those living with Alzheimer's and other dementias by contributing to the essential AST resources, programs and supports accessed by more than 15,000 people each year.

“I don't know where we would be without AST - they have helped in powerful and magnificent ways -we are so grateful.

– Care Partner
